Highlights From The June 14th Meeting:

1. Our monthly meeting was used as the second of three listening sessions/public hearings on changes to the Wausau housing code enforcement. The third (and final meeting) is scheduled for June 21st at 6:00 PM in City Hall. There was standing room only at the meeting with attendees representing our neigborhood, the southeast side, landlords, tenants and interested parties from the City of Wausau. Many viewpoints were expressed on behalf of homeowners, tenants and landlords.
